Dine Outs are held on the second Tuesday of each month. All members of the Club and visiting Probus members are invited to join us for an evening of fun and good food.

In order to create a variety for the members, each month a different venue is selected. We offer hotels, clubs and smaller restaurants which specialise in foods from different countries.

Details of the Dine Outs are published in the monthly newsletter, on this website, Probus Clocktower Calendar and at our monthly meetings.
