A Catholic Priest, a Baptist Preacher and a Rabbi all served as Chaplains to the students of Northern Michigan University at Marquette in the Upper Peninsula of Michigan. They would get together two or three times a week for coffee and to talk shop.

One day, someone made the comment that preaching to people isn't really all that hard, a real challenge would be to preach to a bear. One thing led to another, and they decided to do an experiment. They would all go out into the woods, find a bear, preach to it, and attempt to convert it to their religion..

Seven days later, they all came together to discuss their experiences.

Father Flannery, who had his arm in a sling, was on crutches, and had various bandages on his body and limbs, went first. 'Well,' he said, 'I went into the woods to find me a bear. And when I found him, I began to read to him from the Catechism. Well, that bear wanted nothing to do with me and began to slap me around. So I quickly grabbed my holy water, sprinkled him and, Holy Mary Mother of God, he became as gentle as a lamb. The Bishop is coming out next week to give him first communion and confirmation.'

Reverend Billy Bob the Baptist spoke next. He was in a wheelchair, had one arm and both legs in casts, and had an IV drip. In his best fire-and-brimstone oratory, he exclaimed, 'WELL, brothers, you KNOW that we Baptists don't sprinkle! I went out and I FOUND me a bear. And then I began to read to my bear from God's HOLY WORD! But that bear wanted nothing to do with me. So I took HOLD of him and we began to wrestle. We wrestled down one hill, UP another and DOWN another until we came to a creek. So I quickly DUNKED him and BAPTIZED his hairy soul. And just like you said, he became as gentle as a lamb. We spent the rest of the day praising Jesus. Hallelujah!

The Priest and the Reverend both looked down at the Rabbi, who was lying in a hospital bed. He was in a body cast and traction with IVs and monitors running in and out of him. He was in really bad shape.

The Rabbi looked up and said: "Looking back on it, circumcision may not have been the way to start."

A post man had been working all day in the pouring rain he was almost finished apart from one last letter he had to deliver, he had to take it two miles down a small country road, by the time he got there he was soaked through, muddy and sore:

He entered the garden, closed the gate and turned round to be greeted by two huge paws landing on his chest. There was a massive 9 stone Rottweiler standing in front of him, he was terrified.

Just then the window of the house opened and a little old lady said. "Don't worry sonny just kick his balls." she Said.

"What?"

She said. "Kick his balls he likes that."

This post man had on regulation size 12 military steel toe cap boots, 18 lace holes and football size studs, he went WALLOP and booted the dog square in the balls.

The dog went. "Yelp, yelp , yelllpppp!" And collapsed with its knees knocking together.

The old lady said. "You're in BIG trouble now!"

He said. "Why?"

She said. "I meant his balls on the grass beside you!"

A guy spots a sign outside a house that reads, "Talking Dog for Sale."

Intrigued, he walks in. "So what have you done with your life?" he asks the dog.

"I've led a very full life," says the dog. "I lived in the Alps rescuing avalanche victims. Then I served my country in Iraq. And now I spend my days reading to the residents of a retirement home."

The guy is flabbergasted. He asks the dog's owner, "Why on earth would you want to get rid of an incredible dog like that?"

The owner says, "Because he's a liar! He never did any of that!"

## WORK

1. My first job was working in an Orange Juice factory, but I got canned. Couldn't concentrate.
2. Then I worked in the woods as a Lumberjack, but just couldn't hack it, so they gave me the axe.
3. After that, I tried being a Tailor, but wasn't suited for it — mainly because it was a sew-sew job.
4. Next, I tried working in a Muffler Factory, but that was too exhausting.
5. Then, I tried being a Chef - figured it would add a little spice to my life, but just didn't have the thyme.
6. Next, I attempted being a Deli Worker, but any way I sliced it.... couldn't cut the mustard.
7. My best job was a Musician, but eventually found I wasn't noteworthy.
8. I studied a long time to become a Doctor, but didn't have any patience.
9. Next, was a job in a Shoe Factory. Tried hard but just didn't fit in.
10. I became a Professional Fisherman, but discovered I couldn't live on my net income.

11. Managed to get a good job working for a Pool Maintenance Company, but the work was just too draining.
12. So then I got a job in a Gymnasium, but they said I wasn't fit for the job.
13. After many years of trying to find steady work, I finally got a job as a Historian - until I realized there was no future in it.
14. My last job was working in Starbucks, but had to quit because it was the same old grind.
15. SO, I TRIED RETIREMENT AND I FOUND I'M PERFECT FOR THE JOB!

A woman ran a red traffic light and crashed into a man's car. Both of their cars are demolished but amazingly neither of them was hurt.

After they crawled out of their cars, the woman said, "Wow, just look at our cars! There's nothing left, but fortunately we are unhurt. This must be a sign from God that we should meet and be friends and live together in peace for the rest of our days."

The man replied, "I agree with you completely. This must be a sign from God!"

The woman continued, "And look at this, here's another miracle. My car is completely demolished, but my bottle of 75 year old scotch didn't break. Surely God meant for us to drink this vintage delicacy and celebrate our good fortune." Then she handed the bottle to the man.

The man nodded his head in agreement, opened it, drank half the bottle and then handed it back to the woman. The woman took the bottle, immediately put the cap back on, and handed it back to the man.

The man asks, "Aren't you having any?"

She replies, "Nah. I think I'll just wait for the police."

One night after a date, a guy takes his girlfriend home. After kissing each other goodnight at the front door, the guy starts feeling a little frisky. With an air of confidence, he leans with his hand against the wall and, smiling, he says to her:

"Honey, would you have sex with me?"

Horrified, she replies "Are you mad? My parents will see us!"

"Oh come on! Who's gonna see us at this hour?"

"No, please. Can you imagine if we get caught"

"Oh come on! There's nobody around, they're all sleeping!"

"No way. It's just too risky!"

"Oh please, please, I love you so much?!?"

"No, no, and no. I love you too, but I just can't!"

"Oh yes you can. Please?"

"No, no. I just can't"

"I'm begging you..."

Out of the blue, the light on the stairs goes on, and the girl's sister shows up in her pajamas, hair disheveled, and in a sleepy voice she says:

"Dad says to go ahead and have sex with him, or I can do it. Or if need be, Mom says she can come down herself and do it. But for God's sake tell him to take his hand off the intercom."

A soldier stationed in the South Pacific wrote to his wife in the States to please send him a harmonica to occupy his free time and keep his mind off of the local women. The wife complied and sent the best one she could find, along with several dozen lesson and music books.

Rotated back home, he rushed to their home and through the front door, "Oh darling" he gushed, "Come here... let me look at you... let me hold you! Let's have a fine dinner out, then make love all night. I've missed your loving so much!"

The wife, keeping her distance, said, "All in good time lover. First, let's hear you play that harmonica!"

A girl asks her boyfriend to come over Friday night and have dinner with her parents. Since this is such a big event, the girl announces to her boyfriend that after dinner, she would like to go out and make love for the first time.

Well, the boy is ecstatic, but he has never had sex before, so he takes a trip to the pharmacist to get some condoms. The pharmacist helps the boy for about an hour. He tells the boy everything there is to know about condoms and sex.

At the register, the pharmacist asks the boy how many condoms he'd like to buy, a 3-pack, 10-pack, or family pack. The boy insists on the family pack because he thinks he will be rather busy, it being his first time and all.

That night, the boy shows up at the girl's parents house and meets his girlfriend at the door. "Oh, I'm so excited for you to meet my parents, come on in!"

The boy goes inside and is taken to the dinner table where the girl's parents are seated. The boy quickly offers to say grace and bows his head.

A minute passes, and the boy is still deep in prayer, with his head down.

10 minutes pass, and still no movement from the boy.

Finally, after 20 minutes with his head down, the girlfriend leans over and whispers to the boyfriend, "I had no idea you were this religious."

The boy turns, and whispers back, "I had no idea your father was a pharmacist."

An Italian, a Frenchman and an Aussie were talking about screams of passion.

The Italian said: Last night I massaged my wife all over her body with the finest extra virgin olive oil, then we made passionate love and I made her scream, non stop for five minutes."

The Frenchman said: "Last night I massaged my wife all over her body with special aphrodisiac oil from Provence and then we made passionate love. I made her scream for fifteen minutes straight."

The Aussie said: That's nothing! Last night I massaged my wife ,y'know, all over her body with a special butter. I caressed her entire body with the butter and then made love. I made her scream for two long hours."

The Italian and Frenchman, astonished, asked, "Two full hours? ...wow! that's phenomenal. How did you do it to make her scream for two hours?"

The Aussie replied , "I wiped my hands on the curtains."

Now that the metric system is in wide use all over the world, we can see why American have not adopted it:

A miss is as good as 1.6 kilometers.

Put your best .3 of a meter forward.

Spare the 5.03 meters and spoil the child.

Twenty-eight grams of prevention is worth 453 grams of cure.

Give a man 2.5 centimeters and he'll take 1.6 kilometers.

Peter Piper picked 8.8 liters of pickled peppers.

## **LEXOPHILIA**

"Lexophile" is a word used to describe those that have a love for words, and, at times, play with them... coming up with such "funnies" (lexophilia) as:

"you can tune a piano, but you can't tuna fish", or

"to write with a broken pencil is pointless."

A competition to see who can come up with the best lexophiles is held every year.

Here are some of the best.

.. When fish are in schools, they sometimes take debate.

.. A thief who stole a calendar got twelve months.

.. When the smog lifts in Los Angeles U.C.L.A.

.. The batteries were given out free of charge.

.. A dentist and a manicurist married. They fought tooth and nail.

.. A will is a dead giveaway.

.. With her marriage, she got a new name and a dress.

.. A boiled egg is hard to beat.

.. When you've seen one shopping center you've seen a mall.

.. Police were summoned to a daycare center where a three-year-old was resisting a rest.

.. Did you hear about the fellow whose entire left side was cut off? He's all right now.

.. A bicycle can't stand alone; it's just two tired.

.. When a clock is hungry it goes back four seconds.

.. The guy who fell onto an upholstery machine is now fully recovered.

.. He had a photographic memory which was never developed.

.. When she saw her first strands of grey hair she thought she'd dye.

.. Acupuncture is a jab well done. That's the point of it.

And the cream of the twisted crop:

.. Those who get too big for their pants will be totally exposed in the end.

ALWAYS LAUGH WHEN YOU CAN ... IT'S CHEAP MEDICINE.

### **FIFTY SHADES OF GREY (from a husband's point of view)**

The missus bought the Paperback,  
down Ringwood way,  
I had a look inside her bag;  
T'was "Fifty Shades of Grey".

Well I just left her to it,  
And at ten I went to bed.  
An hour later she appeared;  
The sight filled me with dread...

In her left hand she held a rope;  
And in her right a whip!  
She threw them down upon the floor,  
And then began to strip.

Well fifty years or so ago;  
I might have had a peek;  
But Rosie hasn't weathered well;  
She's eighty eight next week!

Watching Rosie bump and grind;  
Could not have been much grimmer.  
And things then went from bad to worse;  
She toppled off her Zimmer!

She struggled back upon her feet;  
A couple minutes later;  
She put her teeth back in and said  
I am a dominator!!

Now if you knew our Rosie,  
You'd see just why I spluttered,  
I'd spent two months in traction  
For the last complaint I'd uttered.

She stood there starkly naked  
Bent forward just a bit;  
I went to hold her, - sensual like  
and stood on her left tit!

Rosie screamed, her teeth shot out;  
My god what had I done?  
She moaned and groaned then shouted out:  
"Step on the other one"!!

Well folks, I can't tell you no more;  
About what occurred that day.  
Suffice to say my jet black hair,  
Turned fifty shades of grey.

Couple from a circus go to an adoption agency, but social workers are doubtful about their accommodation.  
So they produce photos of their 15 metre long caravan, the back half of which is a beautifully equipped nursery.  
The social workers then are doubtful about the education that would be provided.  
"We've employed an Oxford don who'll teach the child all the subjects along with Mandarin and ICT skills".  
There are then doubts expressed about the child's healthy upbringing.  
"Our full time nanny is an expert in paediatric welfare and diet", they reply.  
So the social workers are finally satisfied, and ask what age of child they were looking for.  
"It doesn't really matter", they say, "so long as he fits in the cannon".

#### PAM AYRES... Sat Nav

I have a little Satnav, It sits there in my car A Satnav is a driver's friend, it tells you where you are.  
I have a little Satnav, I've had it all my life It's better than the normal ones, my Satnav is called a wife.

It gives me full instructions, especially how to drive "It's sixty miles an hour", it says, "You're doing sixty five".  
It tells me when to stop and start, and when to use the brake And tells me that it's never ever, safe to overtake.

It tells me when a light is red, and when it goes to green It seems to know instinctively, just when to intervene.  
It lists the vehicles just in front, and all those to the rear And taking this into account, it specifies my gear.

I'm sure no other driver, has so helpful a device For when we leave and lock the car, it still gives its advice.  
It fills me up with counselling, each journey's pretty fraught So why don't I exchange it, and get a quieter sort?

Ah well, you see, it cleans the house, makes sure I'm properly fed It washes all my shirts and things, and keeps me warm in bed!

Despite all these advantages, and my tendency to scoff, I only wish that now and then, I could turn the bugger off.

One night a fellow drove his secretary home after she had imbibed a little too much at an office reception. Although this was an innocent gesture, he decided not to mention it to his wife, who tended to get jealous easily.

The next night the man and his wife were driving to a restaurant. Suddenly he looked down and spotted a high-heel shoe half hidden under the passenger seat. Not wanting to be conspicuous, he waited until his wife was looking out her window before he scooped up the shoe and tossed it out of the car.

With a sigh of relief, he pulled into the restaurant parking lot. That's when he noticed his wife squirming around in her seat.  
"Honey," she asked, "have you seen my other shoe?"

A Kiwi is sitting with an Australian and an Indian in Saudi Arabia, sharing a smuggled barrel of beer, when all of a sudden Saudi police enter and arrest them. They are initially sentenced to four years in prison but, because it is a national holiday, the sheikh decides they should be released after receiving twenty lashes of the whip.

As they are preparing for the their punishment, the sheikh suddenly says, "Its my wife's birthday today and she asked me to allow each of you one wish before your whipping.

So the Indian guy thinks for a while and then says, "Please be tying a pillow to my back". This is done but the pillow only lasts 10 lashes before the whip goes through.

The Australian, watching the scene, says, "Please fix two pillows on my back". This is done, but even two pillows can only take 15 lashes before the whip goes through the pillows again.

Before the Kiwi can say anything, the sheikh turns to him and says, "As you are from a popular country, your Rugby team is terrific, and your women are beautiful, you can have two wishes!"

"Thank you, Most Royal and Merciful Highness", the Kiwi replies. "My first wish is I would like to have forty lashes"

"If you so desire," the sheik replies with a questioning look on his face. "And your second wish?"

The Kiwi answers; "Tie the Aussie to my back"

Curious when I found two black-and-white negatives in a drawer, I had them made into prints. I was pleasantly surprised to see that they were of a younger, slimmer me, taken on one of my first dates with my husband.

When I showed him the photos, his face lit up. "Wow, look at that!" he said with appreciation. "It's my old Plymouth!"

After he finishes that one, he again peeks inside his shirt pocket and orders the bartender to bring another double martini.

The bartender says, "Look, buddy, I'll bring ya' martinis all night long. But you gotta tell me why you look inside your shirt pocket before you order a refill."

The customer replies, "I'm peeking at a photo of my wife. When she starts to look good, then I know it's time to go home."

Priest was about to finish his tour of duty, and was leaving his Mission in the jungle where he has spent years teaching the natives when he realizes that the one thing he never taught them was how to speak English.

So he takes the chief for a walk in the forest.

He points to a tree and says to the chief, "This is a tree."

The chief looks at the tree and grunts, "Tree."

The Priest is pleased with the response.

They walk a little further and he points to a rock and says, "This is a rock."

Hearing this, the chief looks and grunts, "Rock."

The Priest was really getting enthusiastic about the results when he hears a rustling in the bushes. As they peek over the top, he sees a couple of natives in the midst of heavy s-xual activity.

The Priest is really flustered and quickly responds, "Man riding a bike."

The chief looks at the couple briefly, pulls out his blowgun and kills them both.

The Priest goes ballistic and yells at the chief that he has spent years teaching the tribe how to be civilized and be kind to each other, so how could he kill these people in cold blood that way?

The chief replied, "My bike."

While walking down the street one day a "Member of Parliament" is tragically hit by a truck and dies.

His soul arrives in heaven and is met by St. Peter at the Pearly Gates.

'Welcome to heaven,' says St. Peter.. 'Before you settle in, it seems there is a problem. We seldom see a high official around these parts, you see, so we're not sure what to do with you.'

'No problem, just let me in,' says the man.

'Well, I'd like to, but I have orders from higher up. What we'll do is have you spend one day in hell and one in heaven. Then you can choose where to spend eternity.'

'Really, I've made up my mind. I want to be in heaven,' says the MP.

'I'm sorry, but we have our rules.' And with that, St. Peter escorts him to the elevator and he goes down, down, down to hell.

The doors open and he finds himself in the middle of a green golf course. In the distance is a clubhouse and standing in front of it are all his friends and other politicians who had worked with him.

Everyone is very happy and in evening dress. They run to greet him, shake his hand, and reminisce about the good times they had while getting rich at the expense of the people.

They play a friendly game of golf and then dine on lobster, caviar and champagne.

Also present is the devil, who really is a very friendly & nice guy who has a good time dancing and telling jokes. They are having such a good time that before he realizes it, it is time to go.

Everyone gives him a hearty farewell and waves while the elevator rises....

The elevator goes up, up, up and the door reopens on heaven where St. Peter is waiting for him.

'Now it's time to visit heaven.'

So, 24 hours pass with the MP joining a group of contented souls moving from cloud to cloud, playing the harp and singing.

They have a good time and, before he realizes it, the 24 hours have gone by and St. Peter returns.

'Well, then, you've spent a day in hell and another in heaven. Now choose your eternity.'

The MP reflects for a minute, then he answers: 'Well, I would never have said it before, I mean heaven has been delightful,

but I think I would be better off in hell.'

So St. Peter escorts him to the elevator and he goes down, down, down to hell.

Now the doors of the elevator open and he's in the middle of a barren land covered with waste and garbage.

He sees all his friends, dressed in rags, picking up the trash and putting it in black bags as more trash falls from above.

The devil comes over to him and puts his arm around his shoulder. 'I don't understand,' stammers the MP. 'Yesterday I was here and there was a golf course and clubhouse, and we ate lobster and caviar, drank champagne, and danced and had a great time.. Now there's just a wasteland full of garbage and my friends look miserable.

What happened?'

The devil looks at him, smiles and says, 'Yesterday we were campaigning... ... "

My wife hosted a dinner party for family far and wide and everyone was encouraged to bring all their children as well.

All during dinner my four-year-old niece stared at me sitting across from her. The girl could hardly eat her food for staring.

I checked my shirt for spots, felt my face for food, patted my hair in place but nothing stopped her from staring at me.

I tried my best to just ignore her but finally it was too much for me.

I finally asked her "Why are you staring at me?"

Everyone at the table had noticed her behaviour and the table went quiet for her response.

My little niece said

"I'm just waiting to see how you drink like a fish."

An old man lay sprawled across three entire seats in the theater.

When the usher came by and noticed this, he whispered to the old man, "Sorry sir, but you're only allowed one seat."

The old man just groaned but didn't budge.

The usher became more impatient.

"Sir, if you don't get up from there I'm going to have to call the manager."

Once again, the old man just groaned.

The usher marched briskly back up the aisle, and in a moment he returned with the manager.

Together the two of them tried repeatedly to move the disheveled man, but with no success.

Finally they summoned the police.

The officer surveyed the situation briefly then asked, "All right buddy what's your name?"

"Fred," the old man moaned.

"Where ya from, Fred?" asked the police officer.

With terrible pain in his voice, and without moving a muscle,

Fred replied, "The balcony."

Our friends, James and Florence, attend choir practice Wednesday evenings, and often head for a restaurant afterwards with their fellow choir members.

Florence soon noticed that every time she had a glass of wine, it was followed by a severe migraine headache. James agreed with her that it might be better if she abstained, and so she did.

On one post choir occasion, however, Florence decided, after some hesitation, to try a different variety of wine. Some time passed with no consequences.

Then she waved happily across the big table where her colleagues all sat and while holding up the empty wine glass announced in a loud voice, "James! I don't have a headache tonight!"

The priest thought long and hard and then said, 'Squeeze seven lemons into a glass and then drink the juice.'

The young woman asked, 'Will this cleanse me of my sins?'

The priest said, 'No, but it will wipe that smile off of your face.'
