

Some of our members have small businesses while others might have ongoing items they want to sell. This page contains 'business' ads from members showing business goods and/or services they offer.

**Please note: This website is not for one-off items to sell.** If you want to sell a one-off item it is suggested you use Gumtree, Marketplace or Meta (previously Facebook) to advertise your product – you will have a much larger audience.

## **Book - Turning Grass into Lawn - The Victa Story**

This book is only available for private sale. It was written by John Mason, Ginny's stepfather, who joined Victa in the very early days as the Sales Manager and became the Marketing Director, establishing dealerships all around the world. A fascinating read.

Just under A4 size, soft cover, 218 pages includes 10 pages of photos.

5 books available (members only) at \$25 each
